Isotopes Branch  
Division of Licensing and Regulation  
U. S. Atomic Energy Commission  
Washington 25, D. C.

Gentlemen:

Request the names of Colonel Carl J. Lind and Captain Francis M. Fesmire be deleted as users of radioisotope byproduct materials for the Third U. S. Army Medical Laboratory, Fort McPherson, Georgia. It is further requested that the name of Colonel William C. Butz be listed as the only authorized user for this Laboratory.

Sincerely,

*Charles W. Kraul*
