SUBJECT: Application for Extension to Byproduct Material
License No. 29-1022-6

TO: The Surgeon General
Attn: MEDPS-PO
Department of the Army
Washington 25, D. C.

1. An incomplete application for renewal of byproduct material license No. 29-1022-6 has been returned to U. S. Army Electronics Research and Development Laboratory, Fort Monmouth, New Jersey for correction.

2. Time does not permit resubmission through channels of the completed application prior to expiration of the license. It is requested that a 120 day extension be granted to the present license to allow time for submission of the corrected application for renewal.
