Mr. Nathan Bassin
Isotopes Branch
Div. of Licensing & Regulation
U.S. Atomic Energy Commission
Germantown, Maryland

Dear Sir:

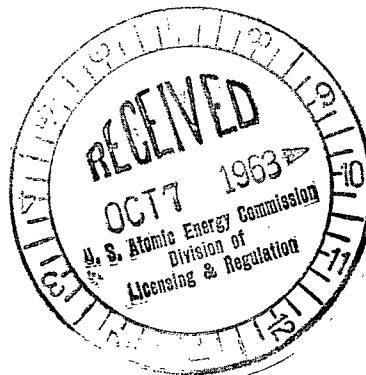

Reference is made to application for renewal of License
No. 29-1022-6 and reply to letter LR: 1B: NB (51328).

On 17 September 63, Mr. Aldrich our Radiological Protection Officer
died. Although, Lt. Stephen Foster has been voted by the Isotope Committee
to be the new Radiological Protection Officer, the approval of his
qualifications by your office has not been received to date.

Dr. Wolfgang Ramm has therefore, been reappointed Radiological
Protection Officer until Lt. Stephen Foster's approval is received.
Dr. Ramm's qualifications are in the referenced application. He was the
Radiological Protection Officer for this Laboratory before Mr. Aldrich.

Yours truly,

B. Markow
