RE: Changing Safety Officer

To Whom It May Concern:

I am writing regarding the Safety Officer position for our Office. The person that held this position, Tony Oliver, no longer works for the Eastern Band of Cherokee Indians and we would like to have his name removed as Safety Officer.

We do have two individuals that have completed the Safety Officer training requirements Lehman Bradley and Warren Crowe, Jr. If possible we would like to install Lehman Bradley as our primary Safety Officer and Warren Crowe Jr. as alternate Safety Officer.

Enclosed are the Certificates of Completion for Radiation Safety Officer Classes for Mr. Bradley and Mr. Crowe.

If you have any questions please contact me at the number or e-mail listed below. Again thanks for your help with this matter.

Sincerely,

Kelly Sams
