Dear Mr. Comfort:

In follow up to our telephone conversation on September 19, 1995, enclosed please find the analytical results from ground water sampling at Shieldalloy Metallurgical Corporation. Six monitoring wells (and one duplicate) were sampled and analyzed using gamma spectroscopy as requested by the New Jersey Department of Environmental Protection.

If you have any questions, you may contact me at (609) 633-1455.

Sincerely,

Donna L. Gaffigan, Case Manager
