Re: License No. 37-31077-01  
Dear Ms. Ullrich,

I am in receipt of your letter dated February 5, 2007 stating that you have voided our application for an Amendment, and I apologize for taking so long to respond.

On January 11, 2007, the roof of our old, leased facility collapsed, and so we have been scrambling to move into our newly built facility six weeks before the projected date of March 30, 2007. Therefore we did not pursue the amendment.

I will contact you again directly, or through John Ramsey, once we are ready to recommence activities, to see about transferring our license, and pursuing the Amendment. Again, thank you for your notification.

Sincerely,

Chris Rappolt  
Hospital Administrator
