Dear Mr. Price,

Thank you for your response dated January 19, 2007. Upon review of the state legislation granting authority for expenditures by the University of Connecticut, it appears that the regulations authorize expenditures by the Board of Trustees and allows the Board of Trustees to delegate duties to the Board of Directors. Please provide documentation to support that the Board of Trustees delegated the Administrative Liaison for the Board of Directors such authority to request state funds for decommissioning.

You may submit this information to my attention with a reference to Mail Control No. 137263. Thank you for your attention to this matter.
