This communication is to correct the following typographical error in our NRC Renewal Application.

- Item 7 B (b and d) both list Dr. James Dyer.
- Please replace 7.B.d with Dr. John Gaynor. Dr. Gaynor was the original Radiation Safety Officer (RSO) on the license. His CV is already on file.

David Durkee, Radcor LLC, will provide you with a copy of my 40-hour Radiation Safety Officer training certificate and syllabus.

If you have any questions or require additional information please let me know.

Respectfully

Amy V. Ferdinand, Director EH&S
