RE: ER-940273 Big Rock Point Nuclear Power Plant – Revised Recordation, 10269 U.S. Route
31 North, Hayes Township, Charlevoix County (USNRC)

Dear Mr. Pallagi:

In accordance with the Memorandum of Agreement (MOA) between the United States Nuclear Regulatory Commission and the Michigan State Historic Preservation Office, Stipulation I, we have reviewed and accept the revised recordation materials for the above-cited undertaking at the location noted above.

The State Historic Preservation Office (SHPO) is not the office of record for this undertaking. You are therefore asked to maintain a copy of this letter with your environmental review record for this undertaking. If the scope of work changes in any way, or if artifacts or bones are discovered, please notify this office immediately.

If you have any questions, please contact Brian Grennell, Environmental Review Specialist, at (517) 335-2721 or by email at ER@michigan.gov. **Please reference our project number in all communication with this office regarding this undertaking.** Thank you for this opportunity to review and comment, and for your cooperation.

Sincerely,

Martha MacFarlane Faes
Environmental Review Coordinator

for Brian D. Conway
State Historic Preservation Officer
