Subject: Additional Supportive Information for the Model 770 Type B Container

Dear Ms. Glenny:

This letter is submitted to advise your office of the need for additional time in providing a full response to the questions you raised in your Request for Additional Information (RAI) received by our office on 22 Jan 07. Due to the issues raised in your letter, we anticipate a meeting and/or phone conversation with your staff may be advisable prior to addressing some of these questions.

Considering additional time needed to assemble our response information, and allowing for scheduling of a meeting/conversation with your staff, with possible modifications to our response based on that interaction, we anticipate that a full response to your office can be provided by 19 Apr 07. I will contact you within the next two weeks to discuss scheduling a meeting/conversation with your review staff. Should you have any additional questions or wish to discuss this issue in further detail, please feel free to contact me.

Sincerely,
