Duane:

I received your e-mail documenting the appointment of the SERP and registration information for the Fox Run Water Company, Chesdin Manor Well, Sutherland, VA and for United Water, Inc, Sussex, NJ. I will have the package docketed. We are in the process of changing project managers here and will have a letter out to you soon confirming Ted Carter as the new PM. I'll try to set up a time next week to call you as Ted is out of the office until next Tuesday. Package looks good. I'll be in touch if we need anything else.
