Subject: Comment on RAI 3.6-22 response (MFN 07-060)

Comment on response to RAI 3.6-22: The response provided changes to DCD Tier 2 as a result of removing leak-before-break (LBB) but it did not address Tier 1 which was also part of this RAI. LBB is mentioned in Section 3.1 of Tier 1. Please address changes to Tier 1 due to removing LBB.

Please contact me if you have any questions or would like to arrange a telephone conference to discuss this comment.

Thanks, Larry
