Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Consent to transfer facility to Mercer	
Summary:	<p>I spoke with Ms. Seiferth about the letter dated January 22, 2007, where the licensee requested that the facility at 1 Union Street, Robbinsville, NJ be added to the license. Since the facility is already on the license for Comprehensive Cardiology Associates, we must receive a letter from their management that they want to authorize the change. In order to continue licensed operations uninterrupted, Mercer Bucks Cardiology must express that they accept the facility with any resulting contamination from the activities of the prior licensee. All of the information required by NUREG-1556, Volume 15 must be submitted to the NRC by both parties in order for the amendment to be processed. Ms. Seiferth indicated that she would inform her management and if they had any questions, they would get back in touch with me. I also informed ms. Seiferth of the names of the individuals that I had spoken with on February 9, 2007 in regards to the information that was required for the amendment.</p>
