Dear Sir/ Madam:

Please be informed that Interstate Construction Corp., dba: Branscome Richmond, wishes to request an amendment to the above referenced license.

Specifically, we wish to request a change in Item 12 of page 2, regarding the designation of our Radiation Safety Officer. We wish to amend the license by removing Scott R. Wynn as the company RSO and inserting Sean E. Fidler as our new RSO. Mr. Fidler is our Quality Control Manager and served as the RSO with his previous employer, APAC, Inc. Mr. Fidler received his RSO Certification from Humboldt Scientific, Inc., during March of 2005, holds numerous certifications related to asphalt paving and quality control and maintains his Nuclear Safety Certification by attending and successful completion of this course as required by the Virginia Department of Transportation.
