License No. 37-30062-01  
Control No. 136213

Dear Mr. Thompson:

This letter is provided to inform you that the Defense Distribution Center's (DDC) Director of Logistics Operations position, currently Mr. Patrick McCormick, has been designated to serve as Radiation Safety Committee (RSC) Chairperson from this point forward due to my pending retirement from civil service. It is our understanding that current Nuclear Regulatory Commission policy does not specifically name the RSC Chair on licenses; however, as the DDC license renewal has not yet been issued and the existing License Condition 11A specifically names *Phyllis C. Campbell* as the Chairperson, this letter is being provided to serve as record of the above change until such time as the license renewal is granted. If you have any questions or concerns regarding this notification please contact Mr. David Mack, DDC Radiation Safety Officer, who can be reached at (717) 770-4762 or [dave.mack@dla.mil](mailto:dave.mack@dla.mil).
