In addition to the permanent SERP members, RMD will use non-permanent advisors from time to time, on an as-needed basis, to assist in the SERP's review of water treatment projects, treatment system modifications, and operating procedures. The advisors used in the review of a particular water treatment project or other action will be listed in the SERP report.

If you have any questions regarding this submission, please do not hesitate to contact either me or Duane Bollig at your earliest convenience.

Respectfully submitted,

Charles S. Williams
Chief Executive Officer
SERP Chairman
