This letter is to inform you that license number 29-30967-01 was erroneously filed under Dr. Feraydoon Kohan. It should be filed under 550 Management, the corporation that owns the nuclear machine and is co-owned by Dr. Kohan and Dr. Merwin Richard.

As of this filing it will be decided by the corporation who will be Radiation Safety Officer and Administrator.

Thank you for your help in this matter.

Sincerely,

Merwin Richard, MD, FACC
