Dear Ms. Ulrich,

Although the above referenced letter was dated February 15, 2007, it was not postmarked until six days later on February 21, 2007, and not received by us until February 22, 2007. We enclose a photocopy of the envelope as evidence of this fact. Due to this delay and my unusually heavy travel schedule, we request a six day extension of time in which to respond. Therefore, although we expect to respond sooner, we request your confirmation that a response by us on or before March 23, 2007 will be considered timely.

We appreciate your consideration.

Regards,

  
William E. Lynch Jr.  
President
