Subject: Request for amendment to license # 45-01052- 21

NASA Langley Research Center (LaRC) is requesting an amendment to its radioactive materials license to allow for the use of licensed materials at temporary job sites. This provision was in the previous version of the license but was inadvertently left off the last license application.

If there are any questions or additional information is required please contact at (757)864-3210.

Sincerely,
