Morning Fred,

The afternoon meeting didn't have any commenters during the actual session. We spoke with a few individuals during the open house and immediately after the meeting, but no one commented during the formal session. I do not believe we received any substantive emails. We had email where the person requested to be added to the mailing list.

Hi Alicia,

We will get comments back to you on the scoping summary report by March 12. I did have one question though: I noticed that all the comments were from the evening scoping meeting -- were there any comments submitted by letter? I'm thinking of the letter that Eric Epstein submitted, but perhaps that was outside the scope of scoping, so to speak.

Thanks.

Fred

Fred,

I have attached all the documents regarding the SSES binning of comments from the Nov 15, 2006 meeting. There is an attachment for the Scoping Summary Report which needs to be reviewed by your team and resubmitted to me by March 12, 2007. I am going to FedEx hard copies of all the attachments along with a CD. If you have any questions contact me or Jeffrey Rikhoof.

Thanks
