Summary: I was informed by the receptionist that Thien Do, M.D., the owner, was out of the office until March 21, 2007. I was referred to Dr. Nguyen. I told Dr. Nguyen that the licensing policy of the region was to issue a license in the name of the institution and not in the name of an individual. Dr. Do was told that his request to put his name on the license would be honored which was against licensing policy when an institution name was available. Dr. Nguyen did not have any problems with the change provided it did not interfere with their operations. I stated that the change was administrative in nature and if Dr. Do had any questions, he could contact me.
