RE: Spano v. U.S. Nuclear Regulatory Commission, No. 07-0324-ag

Dear Mr. Bass:

For the reasons I discussed with you today, a pre-argument conference in the above-referenced case, currently scheduled for Monday, February 26, 2007, would be premature at this time. We are therefore requesting that the pre-argument conference be adjourned. Counsel for petitioner has no objection to an adjournment.

Thank you for your assistance.

Respectfully submitted,
