Subject: Risk of Birth Defects from 1991 War graph and mutational meltdown reference

Dear Joe:

Thank you for your help with the teleconference and the PRB.

Here is the additional information as promised:

<http://www.bovik.org/du/gwbd.jpg>
(attached)

This is the most recent citation I have on mutational meltdown:

M. Lynch, J. Conery, and R. Burger (1995) "Mutational meltdowns in sexual populations." *Evolution* 49:1067-1080.

Please distribute this to the PRB and the licensees.

Sincerely,
James Salsman
