Dear Mrs. Bennington,

This is regarding the our notification we sent you on January 10th.
After our discussion with Global Nuclear Fuel Americas, we would like to
revise "Shipper" from below notification.

We would like to revise to
"Shipper" ---- Global Nuclear Fuel-Americas "Exporter" ---- Mitsui USA

Currently, we mentioned Mitsui USA as "shipper" though, we would like to
change to "GNF-A"
since GNFA is the organization with a license to posses Special Nuclear
Material from the originating point, and we think it more appropriate to
mention Mitsui USA as "Exporter"

Therefore, Kindly please let us know if we could send revision of the
notification.

We would appreciate your kind cooperation.

Best Regards,
