Delivery Order No. NRC-33-03-342-005 Task Order No. 17 Modification No. 7 Page 2 of 2

The purpose of this modification is to: (1) provide for an upward adjustment of the task order cost ceiling to reflect an increase in the level of effort from 87.80 staff hours to 113.80 staff hours in accordance with the enclosed revised cost estimate and the contractor's e-mail dated March 1, 2007. As a result of this action, the ceiling amount is increased by \$2,308.20 from \$5,685.52 to \$7,993.72, and (2) obligate FY'07 funds in the amount of \$1,200.00, thereby increasing the obligated amount of the subject task order from \$5,685.52 to \$6,287.72.

Accordingly, the following changes are hereby made:

The fourth and fifth paragraphs of the definitization letter dated, September 30, 2003, are deleted in their entirety and substituted with the following in lieu thereof:

"The period of performance for Task Order No. 17 shall commence October 18, 2003, and expire September 25, 2007. The total cost ceiling is \$7,993.72

The amount presently obligated with respect to this task order is \$6,287.72. The obligated amount shall, at no time, exceed the task order cost ceiling of \$7,993.72. When and if the amount(s) paid and payable to the Contractor hereunder shall equal the obligated amount, the Contractor shall not be obligated to continue performance of the work unless and until the Contracting Officer shall increase the amount obligated with respect to this task order. Any work undertaken by the Contractor in excess of the obligated amount specified above is done so at the Contractor's risk."

A summary of obligations for this task order from award date through the date of this action is given below:

Total FY'03 Obligation Amount	\$ 5,000.00
Total FY'04 Obligation Amount	
Total FY'06 Obligation Amount	
Total FY'07 Obligation Amount	\$ 1,200.00

Cumulative Total of NRC Obligations: \$6,287.72

This modification obligates FY'07 funds in the amount of \$1,200.00

All other terms and conditions under this task order remain unchanged.
