Subject: remainder of RAI 3.9-1 answer?

MFN 06-127 provided most of the response to RAI 3.9-1 but it didn't include GE Report GEFR-00879, "Depressurization Valve Development Test Program Final Report" October 1990. MFN 06-127 said GEFR-00879 was being reformatted and would be submitted separately. When can we expect to receive GEFR-00879?

Thanks, Larry
