Docket No. 030-10837

Dear License Reviewer:

Please amend the above referenced license to include the enclosed renovation floor plan in the nuclear medicine department. A diagram (final phase) of the area is attached. As areas in the current nuclear medicine department are vacated (phase 3), a close-out survey will be performed and submitted to your office.

Any questions regarding this request may be directed to Eli Cvijanovich, Director of Imaging Services at Hanover Hospital at 717-633-3541, or to Wendy Charlton, Health Physics Consultant at 410-665-5447.

Sincerely,
