REPORT OF EMERGENCY PLAN CHANGE

Attention: John Hickman

In accordance with 10 CFR 50.54(q) and 10 CFR 50.4(b)(5)(ii), we are informing you of a recent revision to our Emergency Plan. Emergency Plan, Revision 3 reflects the relocation of the Technical Support Center and provides additional minor clarifications and editorial changes.

Our 10 CFR 50.54(q) evaluation determined that these changes do not decrease the effectiveness of the emergency plan. Therefore, these changes can be made without prior NRC approval.

If you, or members of your staff, have questions requiring additional information or clarification, please contact me at (916) 732-4843.

Sincerely,

Robert E. Jones
Superintendent, Quality/Licensing/Admin.
