Subject: spent nuclear reactor fuel pool storage

DOCKETED
USNRC

March 21, 2007 (4:28pm)

Please consider the real dangers of the nuclear spent reactor fuel pool storage. If there is an accident - if even one person dies, it will be on your shoulders. Remember, there is no workable evacuation plan. You know the truth. Please do the right thing & support the Ma Attorney General. Thank you Ellen & Marc Kaufmann
