Dear Mr. Thompson,

I am writing to request that our license be amended to indicate that we are no longer using the facilities at 4170 City Ave., Philadelphia PA 19131.

All radioactive material has been removed from the 4170 City Ave location and we completed a close-out survey of all spaces to verify the absence of any detectable radioactivity above background.

Thank you for your attention to this amendment request.

Please call with any questions.

Sincerely,

Thor W. Nilsen
Radiation Safety Officer
