Attn: Michelle Beardsley:

Pursuant to our telephone conversation regarding the listing of authorized users on our license please note the following:

You explained to me that identification of physician authorized users was not necessary for the type of license issued to Alliance Imaging by the Nuclear Regulatory Commission. Therefore, please delete the physician authorized users from the license. All non medical use of materials will be supervised by the Radiation Safety Officer.

Thank you for your attention to this matter:

Sincerely:

Sharon L. Long
