MEMORANDUM TO: Holly Harrington, Special Assistant to the Director
Office of Public Affairs

FROM: Melvyn N. Leach, Director */RA/*
Division of Preparedness and Response
Office of Nuclear Security and Incident Response

SUBJECT: MEMORANDUM OF APPRECIATION

I want to express my appreciation for the outstanding support you provided during the "Communications during Incidents" session, which helped make the 2007 Nuclear Regulatory Commission's (NRC) Regulatory Information Conference (RIC) a tremendous success.

You provided a very dynamic presentation backed by personal experience. You also very effectively brought together the need for getting quality and timely information to the public.

Again, thanks so much for your enthusiastic participation in the RIC. I have no doubt that it would not have been the success that it was without your presence.
