Dear Mr. Jondy:

This refers to the NRC form 314, "Certificate of Disposition of Materials" dated November 7, 2006, requesting the termination of your NRC license 21-32543-01. We do not have the information we need to terminate your NRC license. We will void your request at this time to allow you time to gather additional information for the license termination. We will void your request without prejudice to resubmission. Please submit the additional information as requested in the enclosed memo.

When you resubmit your request please state that the resubmission is additional information to **Voided Control 315955**.

If you have any questions or require clarification on any of the information stated above, you may contact us at (630) 829-9887.

NRC's Regulatory Issue Summary (RIS) 2005-31 provides criteria to identify security-related sensitive information and guidance for handling and marking of such documents. This ensures that potentially sensitive information is not made publicly available through ADAMS, the NRC's electronic document system. Pursuant to NRC's RIS 2005-31 and in accordance with 10 CFR 2.390, the enclosed document is exempt from public disclosure because its disclosure to unauthorized individuals could present a security vulnerability. The RIS may be located on the NRC Web site at: <http://www.nrc.gov/reading-rm/doc-collections/gen-comm/reg-issues/2005/ri200531.pdf> and the link for frequently asked questions regarding protection of security related sensitive information may be located at: <http://www.nrc.gov/reading-rm/sensitive-info/faq.html>. A copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

A handwritten signature in cursive script, reading "William P. Reichhold".
