Richard,

Got your phone message and tried to call you about 5:15PM. Got your voice mail.

1. Re: "85°F" in my e-mail of March 2 to Dr. Masnik.

This issue is NOT raised in the Draft GEIS as far as I remember. But it IS an issue between the VT Agency of Natural Resources, who issues the NPDES Permit, and VY.

The VT Agency wants a limit (85°F) and VY opposes it. I agree with the Agency. I may be in error raising the issue with the NRC.

2. The CD-R disc you have found attached to my written presentation given to Dr. Masnick on Jan 31 is nothing more than my presentation on disc.

Let me know if you need more clarification.

Sorry for the confusion.
