Subject: License Amendment Request to Change Possession Limits
(Lic. No. 21-01443-06)

Dear Ms. Pelke:

This letter is to request an amendment to radioactive materials license number 21-01443-06 changing material possession limits to those listed below. The change in possession limits reflects a significant change in the nature of research performed at our facility. Over the last two years our facility possession amounts have routinely been less than 10% of our current limits.
