Dear Ms. Edgerton,

The attached listing shows the current Part 35 amendments and the dates they are required for the States to adopt to maintain compatibility.

Dear Mohamed,

Can you tell me on what date in 2008 the implementation date for compliance with the 2005 final rule on 10 CFR Part 35 is anticipated? I thought it was April 29, but some have told us March 30. Can you give us the straight stuff?

Thank you!

With best regards

Dawn Edgerton
