This letter is pursuant to a license amendment for material license #21-26539-01 Issued to Cats Veterinary Clinic, 43727 Gratiot, Clinton Township, Michigan 48036. We request to add Dr. Kristen Stallings as an Authorized User. Dr. Stallings, DVM has performed over 10 I-131 therapies under current Authorized User and RSO Dan H. Marshall DVM, and has completed over 8 hours of physics training includes: Radiation Safety concepts, terminology, ALARA (minimize time, maximize distance, maximize shielding, minimize contamination), Emergency situations, exposure monitor use, wear and reading of exposure reports, basic atomic physics, survey meter use, well counter use, I-131 properties, spill and decontamination procedures, and NRC and State of Michigan regulations. If there are any questions regarding the qualification of Dr. Stallings, DVM, please contact Dr. Dan H. Marshall DVM, at 586-463-9550.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan H. Marshall".

Dan H. Marshall, DVM
Radiation Safety Officer
