NUCLEAR REGULATORY COMMISSION CERTIFICATE OF COMPLIANCE FOR THE D2G POWER UNIT SHIPPING CONTAINER; REQUEST FOR RENEWAL

Nuclear Regulatory Commission (NRC) Certificate of Compliance [USA/6441/B()F Revision 8] for the D2G Power Unit Shipping Container expires on August 31, 2007. Renewal of this NRC Certificate of Compliance is requested. There has been no operational experience or container modification that would preclude continued use of these containers.

Certification of the D2G Power Unit Shipping Container is not allowed beyond October 1, 2008 without additional analysis. There is no planned use for the container after September 30, 2008. The NRC is requested to renew the D2G Power Unit Shipping Container Certificate of Compliance with an expiration date of September 30, 2008.
