Dear Mr. Virgilio:

Your letter dated March 2, 2007 requested that the New York City Department of Health and Mental Hygiene revise and resubmit our Program Improvement Plan within 30 days of receipt of the letter. We are requesting an extension until April 20, 2007 to submit our plan. We have adopted a number of regulations and amended a number of others based on NRC comments received last year. We need to update our list of adopted amendments and add time frames for those new regulations that are coming due.

We apologize for this delay and appreciate the opportunity to respond to the recommendation in Section 5 of the report. Thank you for your consideration of this request. If you have any questions, please contact Gene Miskin at (212) 676-1556.

Sincerely,

Jeannine Prud'homme, Assistant Commissioner
