Gentlemen:

Analytical Bio-Chemistry Laboratories, Inc. (ABC Labs) is requesting an extension of the time period established in 10 CFR Part 30.36(d) for the submittal of a decommissioning plan for the Sanitary Lagoon located at ABC Labs. We hope to have a contract awarded and the decommissioning plan submitted to the NRC within a 6-8 month period.

If you have any questions or need further information, please feel free to contact me at 573-443-9070.
