Trish – New York State is requesting an additional 85,000 (eighty-five thousand) 65 mg. ki tablets from the NRC in order to meet the 65 mg ki requests from the seven nuclear counties in New York State. No additional needs for 130 mg. tablets or 65 mg. liquid have been identified. As before, please send the ki for New York to the attention of Mr. Andrew Feeney. If you have any questions on this matter please feel free to contact me at 518.292.2359. Thank You. Kevin Kraus
