Conversation with Robert Slack (RS), Director of Regulatory
Affairs on 4/6/07

The reviewer spoke to RS to obtain information regard the new RSO's ability to perform the function of RSO on the Carol Stream, IL license as well as the State of Texas license. According to RS, the RSO on the State of Texas license will be replaced and the new RSO (Mr. Istre) will only be listed as RSO on the Carol Stream license. Also, the reviewer spoke to Mr. Istre and he is willing to perform the duties of RSO on the Carol Stream license and is aware of what the required duties are.
