Dear Mr. Miller:

SUBJECT: Annual Letter of Certification for Duane Arnold Energy Center

We have completed a review of your January 25, 2007, February 27, 2007, March 2, 2007, and March 15, 2007, submissions in response to issues identified in the Annual Letter of Certification (ALC) for the Duane Arnold Energy Center. The issues relating to public and media information, instrumentation, and training have been addressed and are now closed.

The Annual Letter of Certification and the Public Information Brochures are approved. We appreciate your cooperation and support in bringing these issues to closure. In addition, the state portion of the Annual Letter of Certification is also approved.

Should you have any questions, please contact Jane Young at (816) 283-7020 or Jane.Young@dhs.gov.

Sincerely,

Ronald L. McCabe
