Dear Sir or Madam,

Cardiovascular Associates of the Delaware Valley, Radioactive Materials License: #29-30490-01 temporarily moved its hot lab, storage area and injection room in order to facilitate the construction that will be taking place around this area. We successfully reconstructed the area and have since moved the hot lab, storage area and injection room. Please see the attached close out survey of the temporary space.

If you have any questions or require additional information, please do not hesitate to contact myself.

Sincerely,

Josh Ginsberg
Executive Director
