The Honorable Dennis J. Kucinich  
Chairman, Subcommittee on Domestic Policy  
Committee on Oversight and Government Reform  
United States House of Representatives  
Washington, DC 20515

Dear Mr. Chairman:

I am responding to your March 9, 2007, letter in which you requested that the U.S. Nuclear Regulatory Commission (NRC) brief the subcommittee on a request from FirstEnergy Nuclear Operating Company (FENOC). This FENOC request sought relaxation from the remaining two years of annual independent assessments of Operations performance at the Davis-Besse Nuclear Power Plant that were required by an NRC Order.

Subsequently, FENOC withdrew this request. In its letter of withdrawal, FENOC indicated that they see value in the continuance of the independent assessments as the assessments provide external perspectives that will further assist Davis-Besse in achieving top industry performance. A copy of FENOC's withdrawal letter was forwarded by the NRC's Office of Congressional Affairs (OCA) to your office.

As you requested in your letter, the OCA staff contacted the subcommittee's staff director, Mr. Jaron Bourke. OCA looks forward to working with him to schedule a briefing on NRC's current work if that would be helpful to you and your colleagues.

Sincerely,

*/RA/*
