Subject: RAI, Change of Control & Financial Assurance

(NOTE: This will be used as the Documents Title in ADAMS)

Summary: I noted that your license should have financial assurance because of the amount of carbon 14 and tritium. Dr. Sidorov said that they never had carbon 14, only sulfur 35 once about 6 years ago, and would only like to keep tritium. I asked when he would like the license to be changed. He said May 1, 2007.

Action Required: Dr. Sidorov will send in a request to remove all but tritium and then the license will be amended on May 1, 2007 to the new company, Ambios Labs, Inc.
