RE: Change in financial assurance mechanisms

Dear Sir or Madam:

This letter provides notice to the Commission that The Boeing Company is changing financial assurance mechanisms from the financial test and parent company guarantee to the standby letter of credit.

A letter of credit for the decommissioning costs of the McDonnell Douglas Corporation's St. Louis facility will be submitted to the Commission by April 30.

If you have any questions, please contact me at 818-926-2866.

Very truly yours,
