SUBJECT: INSPECTION 03036463/2006001, DOMINION GEOTECHNICAL SERVICES

Dear Mr. Idoni:

This letter refers to your March 1, 2007, correspondence, in response to our February 6, 2007, letter. Thank you for informing us of the corrective and preventive actions documented in your letter. As discussed between you and Richard Ladun of this office on April 10, 2007, the violation regarding the storage of the devices at your Remington office was cited because both, individually, during the time period in question had been stored and then dispatched to temporary job sites. These actions will be examined during a future inspection of your licensed program.

If you have any questions regarding this matter, please contact me at 610-337-5205. Your cooperation with us is appreciated.

Sincerely,
