Good afternoon Tim,

Attached is a listing of codes that the NEF staff would like to have some discussion on sometime in the mid-April timeframe. I realize that you have some dates where you will be unavailable, and we are looking to see how the week of 16 April looks for you. After you have a chance to look at the attached codes and your schedule, please let me know how a day in that week looks for you and the staff for a possible meeting.

Thanks,

Jim
