Summary:	<p>In a letter dated March 27, 2007, the license requested that the authorization for Benjamin Rosenbluth, M.D. be extended to include the use of 35.300 and 35.500 materials. Dr. Rosenbluth is currently authorized to use 35.400 and 35.600 on the Holy Name Hospital license. A copy of his preceptor form for 35.400/35.600 uses was provided as evidence of his training and experience. I reviewed the Preceptor Form with C. Mentos and explained that they will need to provide the Preceptor Form that covers the training and experience of 35.300 materials for Dr. Rosenbluth. In addition they will need to provide documentation of his training/experience with 35.500 materials. C. Mentos suggested that we complete the action without the addition of Dr. Rosenbluth and that they will gather the information and resubmit at a later date.</p>
